The Place to Make Decisions

Luke 2:41-52

Jesus replied, “Why were you looking for me? Didn’t you know that it was necessary for me to be in my Father’s house?” But they didn’t understand what he said to them.

We decide who directs our religion, family tradition, nationalism, and personal life.

Me must learn to listen to our Father/Yahweh.

Me must grow so we can make the breaks that are necessary.

Today is the day we choose the place we make our decisions.
