## Home by Another Way

**Matthew 2:123** “Because they we return to Herod, they went back to the route.”

**Hebrews 12: 1** So then let’s also ru front of us, since we have such a grea surrounding us. Let’s throw off any ex that trips us up, <sup>2</sup> and fix our eyes on J perfecter. He endured the cross, ignore the joy that was laid out in front of him side of God’s throne.

All people are looking for Christ the power systems that will always seek to kill Christ.

- Seeking?Killing?Ignoring? We are people being transformed

We are people being transformed NOT people waiting for

an escape plan. (*metanoete*, which literally means “change your mind” or “go beyond your mind” NOT *paenitentia* - “repent” or “do penance”)

- WorshipChrist? Allow Christ to be born in us? Presume on a heaven someday, somewhere and support the current power systems?

We are at HOME in Christ. We share Pure Love in every moment.

This year is when Christ will continue to transform us into His Church (Ecclesia).
