Today, Scripture is fulfilled. The Word is made flesh and dwells among us.

Luke 4: 14-30 ²¹ He began to explain to them, "Today, this scripture has been fulfilled just as you heard it." ²² Everyone was raving about Jesus, so impressed were they by the gracious words flowing from his lips.

Becoming Christ fulfills the Scripture (the Story of God's Love). The Word is made flesh.

Becoming Christ means leaving home (family of origin) to find our way HOME (eternal life in the Body of Christ).

Becoming Christ means being clear on who we are and who/how we wish to Love. (Greatest Commandment)

Becoming Christ back at home (family of origin) challenges the way things work at home.

Becoming Christ leads to a Cross and a Resurrection daily. We can accept the invitation to Live and Die as Christ.

Today, right here and now, Christ is fulfilling scripture in our midst.
