We are Becoming Christ Together

[Matthew 18:15-20](#)

Notice the stories before and after this passage. Jesus is teaching how His people relate to God and one another.

This is between MEMBERS of the 'ecclesia', Church. These are people together in the Love (agape) of Jesus Christ.

The Church is the assembly of people who seek and ask for the Kingdom of God and then help one another become the demonstration of God's Love in the world. (This takes transformation!)
