We Grow in Unity

[Romans 14:1-12](#)

We have been shaped by those who gave us our identity and place. This makes us different.

We are coming to believe Jesus Christ and take on the identity and place God has for us.

We are members of Christ's Body, the One Church.

We are to welcome one another from where we have come into where we are going together. - The Kingdom of God

We are growing in our Unity. (We can't grow in Unity while we refuse to Love.)

Growth in Maturity and Christlikeness

Growth by adding those who are being saved
