

December 20, 2020 - Advent Week Four

Prince of Peace - People of Shalom

[Isaiah 9:6-7](#) - [Luke 2:8-20](#)

We have the peace of our empires and the misery they produce.

We seek the Shalom of God but in the wrong people and places.

The peace/Shalom Jesus establishes has been established everywhere He is Lord.

We share the Shalom of God and the coming of Shalom to everyone.

Let us rest/live/grow in Shalom now.....and forever.
