The Joys of Faithfulness and Good Newsing

[1 Corinthians 9:16-23](#)

We have been given the Good News to enjoy and proclaim. We share a common commission.

There is misery in our refusal to know and share the Good News.

Understanding and identifying with others is what Christ does and Christians learn to do. (Other People's Skin Day, 28th of each month)

When we share (translate and enjoy together) the Good News of Jesus Christ we are rewarded in ways beyond anything the world can offer.
