From Slavery to Mutual Love

[1 Peter 1:17-23](#)

Our Father does not play favorites. Keep a reverent fear as citizens of God's creation.

We were ransomed from our slavery to the ways of the world we were taught. - Jesus did what keeping the law could not. He made us secure in God's Love.

We trust (faithing and hoping) in the Love of God we share and not the riches of the world. - What do we really want?

We are being born anew into a mutual Love (same Father) that proves the truth of the imperishable Word of God revealed in Jesus Christ.
