How to Live and Die in the New Covenant

[Acts 6: 8 - 8:3](#) (Read [Acts 7: 55 - 8:3](#))

Why Stephen was killed, is why Jesus Christ was killed. They announced the New Covenant replacing the Temple and all lords.

How Stephen lived is how Jesus Christ lived. They lived the Love of God, fulfilling the Law, and proclaiming the Good News.

How Stephen died is how Jesus Christ died. They died being faithful, forgiving, and praying for their killers.

Stephen's witness proclaimed the Resurrection, the Reign, and the indwelling Spirit of Jesus Christ.

How then shall we live and die?
