We are a Marvelous Work in Progress

1 John 3:1-7

Let's consider the Love of God. God loves fully and unconditionally.

We are God's children. It is hard to believe. Jesus Christ invites us to know who we are in the Love of God.

We 'know' we are becoming people who live as children of God. We will see Jesus Christ and become like Him.

Let us remember who we are, keep growing, and stop demanding what is not yet possible.
