## **We are God's Love in Action**

### **1 John 3:16-24**

Our (Christians) new Love, new faith, and new fellowship must be encouraged, learned, and grown in a world that opposes Jesus Christ.

We know Love (the one loving) in action. Knowing and faithing are demonstrated, not agreed to.

Love is a shared life that is not found in isolation.

Prayer is answered and needs are met in the community (world) of God's Love.
