Jesus' Abba, Our Abba

Romans 8:12-17

Adopted/Born Again: We don't know God loves us and we are God's children until the Spirit helps us see and live as God's children.

Slaves and servants (fear, death) become friends and children (adopted, beloved, heirs).

We share in suffering (Nero 67 AD) and live as heirs TOGETHER.

We have the same Abba! Let's be family!
